Please could you discuss with your daughter which clubs they would like to attend next term. All clubs are voluntary and you need to make sure she is not overloaded with too many extra activities in one day. Girls should give their choices to their form teacher on the first day of term and the clubs will be confirmed through homework diaries. Unfortunately some clubs have limited spaces. It is important that your daughter attends regularly or informs the teacher running the club, in advance, if she knows she will miss a session. Please pick up your daughter no later than 5.30 (unless your club runs later than this), after which they will be waiting in late class. Please note there is a charge for all dance clubs which are booked directly with Mrs Burren. There is also a charge for Tai Kwan Do. Thank you. HHB
