We offer individual tuition in a range of instruments at Somerhill, through a large team of highly skilled, professional peripatetic teachers.

In addition to the instruments listed here, we would try hard to accommodate any other requests.

If you would like your child to learn an instrument, please fill in the form below, and we will put you in touch with the relevant teacher. He/she will then contact you directly to arrange lessons, discuss terms and ask you to sign a contract. Fees for the academic year beginning September 2011 will be charged at £173 per term, for ten half hourly lessons (or pro rata at £116 for those younger pupils who have 20 minute lessons). Music lessons take place during the school day. They are rotated to avoid repeatedly missing the same subject, but, please note, occasional Maths and English lessons will be missed. A term's notice is required when wishing to stop lessons.

There are normally 30 lessons during an academic year.

The attached form should **not be used** to request continuation of lessons already started at Somerhill, which will happen automatically unless due notice has been given.

If you would like advice, or have any further questions, please contact the Music Department.
