Blazers are worn daily, Carol service, school trips, form photos and some competitions and events, require a shirt and tie to be worn.

Prep pupils may **only** wear an analogue or digital watch to school. Smart watches are not allowed.

All hair must be kept clean, neat and tidy. Hair must be appropriately tied back for hygiene and safety reasons especially in the Dining Hall, the Science classrooms and during games lessons. All hair bands, slides and ties should be green, blue, brown or black and discreet. Hair should not be clipped below a grade 2 or be cut or dressed in an extreme fashion to draw particular attention. This includes hair cut in the style of a mullet or with tramlines. Exceptions will be made on an individual basis on religious and cultural grounds.
