ABOUT US

A Message from the Head – Duncan Sinclair

A very special school with a unique structure in this part of the world, Somerhill offers the best of co-education and single-sex schooling on one wonderful site. Boys and girls attend our co-educational Pre-School and Pre-Prep from age 2 to 7. Boys then join Yardley Court and girls join Derwent Lodge, for single-sex classes in a co-educational environment, sharing facilities and opportunities equally. Within this structure, our pupils have the space to follow their curiosity and unlock their potential. More details can be found on our website: www.somerhill.org

We are housed in a beautiful Grade I listed Jacobean mansion with 150 acres of beautiful parkland, and we make the most of this by blending indoor and outdoor learning throughout the school day. You will be hard-pressed to find a more glorious setting for a school! Somerhill is an estate just to the south of Tonbridge and is readily accessed by a slip road off the A21. We have excellent facilities including a multi-purpose sports hall, astroturf, dining hall and indoor swimming pool complex and music school.

Ours is a mixed ability school, and we offer a varied and creative curriculum supported by excellent music, science, engineering, art and sport facilities, all of which help children gain technological know-how alongside traditional skills. We have very bright and capable pupils and are one of the largest 11+ grammar school feeders in Kent. We also have a strong record of obtaining scholarships to top independent secondary schools, such as Tonbridge and Sevenoaks, at 11/13+. We also have boys and girls who find aspects of their

learning more challenging and currently approximately 60+ pupils receive some measure of additional support.

When girls leave Derwent Lodge, many of them go to the Kent grammar schools and others go on to Sevenoaks School, Kent College, Walthamstow Hall, Mayfield, and other independent and state schools. Of the boys who leave Yardley Court at 11+ many go to the local grammar schools. For boys leaving at 13+, Tonbridge School is the most popular destination. Others join Sevenoaks School, Bede's, Eastbourne, Caterham, and Sutton Valence.

Whilst Somerhill has some 600 pupils, the division into three separate sections means that each section can tailor its teaching to best suit the children within it. Parents feel that they have the best of both worlds with small care and linked pupil/teacher ratios but with larger school facilities and social opportunities. They are very supportive of the idea behind a coeducational pre-prep leading to single sex prep sections, but within a mixed gender environment.

THE AIMS OF THE SCHOOL

At Somerhill, we set out to help each pupil achieve their best possible all-round development. Children discover themselves and develop their talents here, with the wholehearted support of our caring community.

Taking a holistic approach to education, we nurture academic, personal, spiritual, social, and moral growth, enabling our pupils to become confident, curious, and resilient individuals going out into the world.

We encourage our pupils to work hard and take pride in their achievements, to think independently, to face up to challenges, to accept responsibility, to develop a broad range of skills and interests, and to show concern for others and the environment. To put it simply: we grow amazing people.

Somerhill Pre-Prep is our section for 2 to 7-year-old girls and boys.

“High quality education in a happy environment. Teaching enables pupils of all abilities to make progress. It promotes exploration and independent learning and gives pupils confidence in their abilities.” Independent Schools Inspectorate

Derwent Lodge is our preparatory section for 7 to 11-year-old girls.

“Excellent standards in lessons, in the scholarships and places gained at senior schools. Girls work together exceptionally well and show considerable imagination, independence of thought and flair.” Independent Schools Inspectorate

Yardley Court is our preparatory section for 7 to 13-year-old boys.

“Pupils thrive in the atmosphere of hard work, enjoyment, and effort. Their attitude to their work is excellent and they take pride in their achievements and the success of others.” Independent Schools Inspectorate
